# Some Information...please read

Welcome to the Buschtaxi Meeting 2017! Here's some more information about the process:

**EMERGENCY CALL** (direct line to Alexander): +49 176 54 36 36 01 03

**MEDICAL CARE** is provided 24 hours by ORMS (opposite of the little barn called "Ideenschmiede")

BREAD ROLLS for Friday, Saturday and Sunday can be pre-ordered and picked up at the catering. The rolls are freshly baked every morning on the spot... and a complete breakfast is also available.

**PLEASE DISPOSE YOUR WASTE IN THE CONTAINERS PROVIDED FOR THIS PURPOSE (behind the showers) and please don't leave anything behind in the meadows!**

FUNDSACHEN please at the cash register, I will store them and then announce them in the forum.

ORMS has 24 hours of medical care / EMERGENCY (opposite the think tank).

Please observe the **TERMS OF USE** and of course the rules of a friendly cooperation. This includes among others:

- that at night you reduce the volume to a level that allows other participants (and especially the children) to find some sleep
- that no one runs riot (a few beers are no excuse!)
- that you leave the terrain as you found it (please do not leave any rubbish, wood, chocks, etc. lying around and don't pull any ditches with your tires - drive slowly and responsibly on the whole area!)
- that no generators are running
- that you will be able to rely on your dogs, cats, rhinos, elephants etc. Pay attention and avoid incidents of any kind; on the premises of the BTT you must keep them on a lead (really sorry, but unfortunately I have to define this)
- **that the instructions of the organizer and his assistants will be followed without discussion (!!!).**

**In addition, the following terms of use apply:**

- Driving under the influence of alcohol is neither funny nor sensible and will not be tolerated.
- Areas closed by barrier must NOT be used.
- Please use only the marked areas.

**In case of violation of the terms of use, an immediate admonishment must be expected (and I'm not joking). There will be no refund of the entrance fee.**

Please take all of this seriously - we are responsible for our reputation in public (and especially in Stordorf!) and the security of this event. If you have any problems, questions, suggestions, need to talk to me or wish to confess, please contact me.

**I am always there for you, it's my job! :-)**

I am looking forward to an interesting, cheerful, friendly weekend in the middle of the Buschtaxi Community!

Your "Netzmeister" (German word for "webmaster") Alexander Wohlfarth

**The fine print:**

The organizer (provider) of the Buschtaxi-Treffen ("BTT") is the company Wohlfarth GmbH, represented by the managing director Alexander Wohlfarth. The event areas belong to the Stehr company, Angela Richtberg and the city of Stordorf. The rules of use of the site owners and the regulations of the organizer apply.

In particular, I would like to point out:

1. The provider is liable without limitation for damages caused intentionally or by gross negligence, in the case of fraudulent concealment of defects, in the case of assumption of a quality guarantee, for claims based on the Product Liability Act as well as for injury to life, limb or health.
2. The provider is only liable for other damages if a duty is violated, the fulfilment of which makes the proper execution of the contract possible in the first place and on whose observance the participant may regularly rely (cardinal duties).
3. Parking of the vehicles and all equipment on the event grounds as well as driving on the grounds is at your own risk.
4. The organizer is entitled to expel persons who violate the rules of use or the rules of good cooperation or who are found on the grounds without a ticket, and this will happen without compensation. There is no entitlement to admission, it can be denied at any time without giving reasons.
5. The basic services for the visitors of the Buschtaxi meeting are the provision of the parking space, shower and washing facilities and toilets. There is no contractual claim to any other services beyond this.

**By participating, the visitor accepts these terms of use.**
